

## Scheduled Network Maintenance Notification – ID 10500.

Dear Customer,

Please be advised that we will be performing a scheduled network maintenance during the following date and time.

- 28/Jan/2026 at 11:00 GMT-3 to 13:00 GMT-3.
- Service impact is expected.

During this 2 hours maintenance window, you will experience a complete loss of service connection.

This maintenance is necessary to perform an upgrade on our DWDM transport Network.

Sincerely,

ANTEL – Service Operation Center
